# Welcome to the Friends of the Watauga Public Library

The Friends of the Watauga Public Library is a nonprofit organization dedicated to promoting positive community support for the Watauga Public Library. We sponsor special events and raise funds which contribute to programs for library patrons of all ages. The Friends work to ensure that people like you benefit from Library resources.

## Events

The Friends sponsors several fundraising events during the year, including Book Bag sales and the Book Nook in the Library.

The Friends and the Library co-sponsor a Holiday Food Drive each year, which provides food for local families.

## Gifts to the Library

Valuable additions to the Library, provided by the Friends, include: a storytime reading house, a portable stage and two movable partitions. These assets support and enrich a variety of events and programs.

Consider becoming a member to show your support of the library and its role in the community. You can be an active member (volunteer) or an inactive member. Just fill out the form on the back and drop it off at the Watauga Library.

## The Book Nook

Please stop by and check out The Book Nook in the Library. Selling used books is our main revenue source. You can support us by buying and donating books. An assortment of used books and media are available to purchase by donation to the Friends. Donate your old books for future resale at the Check Out Desk. Ask about becoming a Book Nook volunteer at the Help Desk!

## Volunteering

Contact the Adult Services Librarian for more information about volunteer opportunities at 817-514-5865.

**A book is the gift you can open again and again.**
